## **CERTIFICATE OF ANALYSIS**

Product Description LLOYD & McCown Woody Plant Basal Salt MIXTURE

Product Number L154

Lot Number 16D0154051

Storage Temperature 2-6 °C

## **Physiochemical Specifications:**

| TEST                     | SPECIFICATION                   | RESULTS            |
|--------------------------|---------------------------------|--------------------|
| Solubility               | Soluble in Water                | Passes             |
| pH (2.30 g/L)            | 3.5 – 4.5                       | 4.2                |
| Physical Appearance      |                                 |                    |
| Color*                   | 2018-60 to 2025-60,             | PM-4 White         |
|                          | 2018-70 to 2027-70,             |                    |
|                          | PM-1 to PM-4                    |                    |
| Texture                  | Fine to Coarse Powder           | Fine Powder        |
| Solution Appearance      |                                 |                    |
| Clarity                  | Clear                           | Clear              |
| Color                    | Colorless to Slight Yellow Tint | Slight Yellow Tint |
|                          | For Information Only            |                    |
| Average Time to Dissolve | (Approx. 10 min)                | 20 min             |
| Insolubles               | None                            | Passes             |
| Moisture                 | For Information Only            | 1.93%              |

<sup>\*</sup> Product color based upon comparisons between sample and standardized color wheel (Benjamin Moore® Color Preview<sup>TM</sup>).

## **Biological Testing:**

| TEST SPECIFICATION  | PLANT CELL LINE   | RESULTS |
|---|-------------------|---------|
| Supports and/or facilitates plant growth and/or shoot proliferation in two or | Royal Frost Birch | Passes  |
| more plant tissue cultured lines with no morphological aberrations to plants  | Perilla           | Passes  |

The material described in this certificate was manufactured in the United States of America and is synthetic. No animal- or plant-derived components were used in the manufacture of this product.

Phyto Technology Laboratories® provides the above information intended to be used only as a guide to the appropriate handling of this material by a properly trained person.
