## CERTIFICATE OF ANALYSIS

Product Description POTASSIUM HYDROXIDE

ACS REAGENT

Product Number P672

Lot Number 11D0672015

Storage Temperature Room Temperature

Molecular Weight 56.11
Formula KOH
CAS Number 1310-58-3

## **Physiochemical Specifications:**

| TEST                     | SPECIFICATION                       | RESULTS        |
|--------------------------|-------------------------------------|----------------|
| Solubility               | Soluble in Water @ 56.11 mg/mL (1N) | Passes         |
| Physical Appearance      |                                     |                |
| Color*                   | RM-1 to RM-3 or RM-31               | RM-1 Off-White |
| Texture                  | Pellets                             | Pellets        |
| Solution Appearance      |                                     |                |
| Clarity                  | Clear                               | Clear          |
| Color                    | Colorless                           | Colorless      |
| Average Time to Dissolve | Within 1 min                        | Passes         |
| Insolubles               | None                                | Passes         |
| Purity                   | Minimum 85.0%                       | 86.6%          |

<sup>\*</sup> Product color based upon comparisons between sample and standardized color wheel (Benjamin Moore® Color PreviewTM).

## **Biological Testing:**

Test Concentration: 5 mL/L of 1N solution

| TEST SPECIFICATION                                                                    | PLANT CELL LINE | RESULTS |
|---------------------------------------------------------------------------------------|-----------------|---------|
| This product is tested with two or more plant cell lines to ensure that no phytotoxic | Achimenes       | Passes  |
| impurities are present that would cause morphological aberrations to plants.          | Hosta           | Passes  |

The material described in this certificate is synthetic. No animal- or plant-derived components were used in the manufacture of this product.

Phyto Technology Laboratories® provides the above information intended to be used only as a guide to the appropriate handling of this material by a properly trained person. Phyto Technology Laboratories® shall not be held liable for any damage resulting from handling or from contact with the above product. This product is intended for LABORATORY USE ONLY. Our products may NOT BE USED as drugs, cosmetics, agricultural or pesticidal products, food additives or as household chemicals.

Recommended Shelf Life: April 2019

Gary Seckinger, Ph.D.
